(*b*) and (*c*) The results have been declared on 4th June 1964. The cases of High schools which had poor results will be investigated and suitable action taken.

BANGALORE UNIVERSITY (AMENDMENT) BILL, 1965.

(*Introduction*)

Sri S. R. KANTHI.—I beg to introduce the Bangalore University (Amendment) Bill, 1965.

Mr. SPEAKER.—The Bill is introduced.

Speakers clarification regarding non-inclusion of a member in the list of members of a Joint Select Committee.

Mr. SPEAKER.—Before we proceed with the other work, I want to clarify one thing. I believe it was Hon. Member Sri J. Sreenivasa Reddy who raised a point of order the other day that he was a Member of the Committee which dealt with the Public Libraries Bill and that he had not been given notices of the meetings of the Committee. I examined the matter and I find that his claim is not correct. It is Sri M. Srinivasa Nayak.

Sri J. SRINIVASA REDDY (Uttorahalli).—In the proceedings my name is there as a Member.

Mr. SPEAKER.—It is a Printer's Devil. The mistake does not create a right on the Member. I saw the orginal proceedings.

Sri J. SRINIVASA REDDY.—In the House also, my name was announced.

Mr. SPEAKER.—How can it be announced ? The proceedings of the 24th have been circulated to the Members. The name is very clear. I saw in the printed papers, the name of M. Srinivasa Nayak. Proceedings are circulated the very next day to the Members and nobody objected to it. Neither the Member nor the Minister concerned brought anything to my notice. The Hon. Member did not at any stage raise the point till Wednesday the 27th. He was well aware of the proceedings and the fact that the Select Committee was going on. When the Report of the Select Committee was presented he did not object. I have carefully observed every stage of the proceedings.
